QUOTES FROM HAMMER THROW WINNER STEFAN JONSSON, WASHINGTON STATE:

"I won, that's the only good thing I can say. I depend on my speed and if I don't get a fast ring, I'm dead. At least I won. The circle's the worst I've thrown in in the last two years."

QUOTES FROM STEEPLECHASE WINNER KARL VAN CALCAR, OREGON STATE:

"I really wanted to get the Pac-10 meet record. It was not that ~~hot~~ hot out there, although I was hurting in the last lap. Hopefully, it will be cooler at NCAA's in Eugene. I didnt want to take the lead at first, but nobody ~~wanted~~ wanted it."

QUOTES FROM POLE VAULT WINNER LANCE BETSON, USC:

"I'm very surprised. I came in with the lowest qualifying height. I had everything to gain and nothing to lose. I tried, but I still can't get 17-feet, though."

"I didn't think I had a chance to do it. I felt I could jump as high as anyone else, though. I've been jumping real well in practice, but I just haven't been putting it all together in competition."

"We (USC) were fired up. We had a team meeting last night and had a very inspiring speech by Coach George Mehale, who is leaving the program after this year."

QUOTE FROM WINNER IN THE WOMEN'S SHOT PUT - JENNIFER PONATH OF WASHINGTON

"I'm pleased with my effort today. As always I would have ~~like~~ liked to have thrown the shot a bit further, but I'm pleased to have won. I think the secret today was the fact that I was able to suppress my energy until the start of the event. In the past, I was always nervous, and I ~~lost~~ lost a lot of energy. Today's experience was good."

RACES IN REVIEW: In the first heat, Everett went out fast and was pursued by Washington and Durr. Off the turn, Everett still led and Washington was closing quickly. With 30 meters to go, Washington drove into second as Durr held off Williams. In the second heat, Moss was first out of the blocks. Down the backstretch, Lewis began to move and took a clear lead coming off the turn. The race for second heated up between, Woods, Lanning and Moss running even down the straight. Woods captured second, but all three advanced.

QUOTES FROM WOMEN'S HIGH JUMP WINNER CAMILLE JAMPOLSKY, OREGON:

"My last jump felt like the best one today.

(On Achilles injury that forced her out of heptathlon): "I haven't had any problems with it until I was warming up for the first day of the heptathlon. I must have irritated it in the 200. ~~The~~ The next day it got worse while I was warming up. It's just a minor ~~irritation~~ irritation, so I need to take time off. I didn't do much all week and it felt better. I noticed it a little during today's competition, but I didn't pay much attention to it.

"I had a hard time pulling my head together~~x~~ and convincing myself I could win it. I haven't jumped much."

QUOTES FROM MEN'S JAVELIN WINNER DARRYL ROBERSON, WASHINGTON:

"I'm still a little shaky, technique. But I have two weeks to get ready for NCAA's. I was the underdog in the event, so there wasn't any pressure. Overall, it was a good day."

QUOTES ~~AND~~ FROM DANNY EVERETT OF UCLA, WINNER OF THE FIRST HEAT IN 400 METERS:

"To run a 44.94 in the 400 meters in the prelims, tells me I have a lot more left. It felt good to run today. I like the conditions; running in the warm weather. I hope to run as well ~~as today~~ in the finals ~~I~~ as I did today."

QUOTES FROM GAIL DEVERS OF UCLA, WINNER OF WOMEN'S LONG JUMP, AS WELL AS HEATS IN HIGH HURDLES (American Record time) AND 100:

"I really didn't know that I set an American record in the hurdles. I was concentrating on keeping my balance and running straight. Whatever the time, I'd be satisfied.

"I like to run fast~~r~~. After I went 12.71, my goal was to run faster. I came into this meet with lots of things to work on, but no certain time to reach. I knew if I concentrated on my mechanics, the time would come. I still have a ways to go, but I'm happy with the way the run did go. I was kind of late getting out of the blocks. In the hurdles, you have to learn to run the first three hurdles. That's what sets up the whole race. You can't take that part of the race easy.

"Jackie (Joyner-Kersey) helped me a lot this week. We ~~practiced~~ practiced this week on the first three hurdles. Jackie made a statement that we're keeping the (hurdles) record in the family (Devers broke Joyner-Kersey's American record today). Our goal is to go as fast as we can. If we keep ~~exchanging~~ exchanging the record, that's okay as long as we keep it in the family.

"I was surprised about my time in the 100. I felt like I got out good and I was controlling my speed.

~~My~~ Last year I ~~wanted~~ waited for the very, very last jump to win the long jump. Today I said I wanted to put a good one out there on the first jump and from there I could ~~adk~~ adjust. I don't really practice the long jump much."

RACES IN REVIEW: In the first heat, Herron went out fast, followed by Welch. The pack remained closely together until the last curve when Okash took over the runner-up spot. Okash was satisfied with second, making little attempt to take the lead. In the second heat, Manson went to the front with Harper and Strang in pursuit. Strang passed Manson at the 600-meter point and Wisnovsky appeared ready to challenge. Manson held on for second and Schermerhorn kicked pass Wisnovsky with 40 meters remaining.

RACES IN REVIEW: Jackson and Young were out of the blocks first. By the fifth hurdle, Young held a clear lead and continued to lengthen the margin of victory, running the fastest time by a collegian this season. Jackson continued his strong pace and repelled Rucker for second. In the second heat, Porter controlled the race through the first seven hurdles, but Bugg began to challenge. Bugg took the lead as the field approached the final barrier and went on the victory. Porter easily held second.

RACES IN REVIEW (heat 1): Stark went out to an early lead, followed by Vickers. Stark stumbled at the seventh hurdle, allowing Vickers and McGhehey to gain. Vickers accelerated down the final stretch to overtake Stark for the win.

(Heat 2): Brookstrom got out fast, followed by Koellner. Koellner challenged Bookstrom over the ninth hurdle and passed her before the 10th hurdle. Vidakovits and Knighten closed but didn't pass Bookstrom.

QUOTES FROM MEN'S SHOT PUT WINNER JOSE deSOUZA, OREGON:

"I took the first one to qualify, then I went for the second one and hit it. Then I scratched on a couple that went farther. I just have to get my technique together to go farther. Hopefully, I'll get things together for the NAAs."

QUOTES FROM WOMEN'S 3000 WINNER ANNETTE HAND, OREGON:

"I haven't run a good time all season. I went into the race ~~thinking~~ thinking it would be Penny Graves (her Oregon teammate) and me. I wasn't looking forward to that. Since we both have to double, we wanted to go out at 74, but we went 72 and felt good. It didn't really go as planned. I tried to hold back behind her, but I was in the wrong position, so we just kept going.

"I feel really good about my time. I can't complain. In the back of my mind, I know the 1500 will be tough. I don't know if I could've run any harder. I was expecting Penny to push me harder, although she was there for most of the race."

QUOTES FROM UCLA'S KEVIN YOUNG, WINNER OF ~~XXX~~ 400 HURDLES TIME IN WORLD BEST TIME:

"I was surprised on the time, especially ~~since~~ since I was running out in Lane 9. I think my coach, John Smith, ~~had~~ did that on purpose. Against Houston, he put me in Lane 2 and told me to get used to running on different parts of the track.

"I executed the lane and hurdles well. I was working on my lean all week. I tend to overstride. I said whatever I do, keep leaning. I wasn't expecting to run that fast, especially out by myself, but I felt good.

"In the long jump, I fouled on my first jump. It was a long one, but ~~I~~ my shadow was just over the board, I think. Then I couldn't get anything right. Then after the intermediates, I came back and was kind of hyped, but my legs weren't there.

"If I'm not as fast ~~tomorrow~~ tomorrow as today, that's okay. It's a good time to run prior to the nationals."

QUOTES FROM MEN'S LONG JUMP WINNER LATIN BERRY, OREGON:

"I had problems warming up today. It was warm and there was no place to get ~~out~~ out of the sun. However, when the event started, I felt pretty good. I wanted to get a new p-r (personal record), but I came up short. I also wanted to win for my teammates, Spencer Williams and J.J. Birden."

QUOTES FROM WOMEN'S JAVELIN WINNER ERICA WHEELER, STANFORD:

"I really didn't know that I had broken any records until they announced it. When they announced 191-2, I was in shock. . . I thought it was a good throw, and it felt so easy to throw, but I didn't think it was a record throw until they announced it."

RACE IN REVIEW: At 1,600 meters, the pack began to spread out and Reinke was the leader. After 3,200 meters, it became a six-man race (Reinke, Morgan, Mayiek, Fonseca, Bennion, Navarette). Morgan, Mayiek and Fonseca exchanged the lead, before Mayiek and Fonseca pulled away from the field at the mid-point. Fonseca took the lead with three laps remaining and pulled away from Mayiek. Morgan began to chip away at his disadvantage, and moved into striking distance with 300 meters left. As they made the turn for home the last time, Morgan was steaming past Fonseca and the Oregon redshirt freshman looked over his shoulder to make sure he had the runner-up spot in control.

QUOTES FROM PENNY GRAVES, WINNER OF THE WOMEN'S 5000 METERS:

"I'm not happy with the time, but the win is good, and the points help. It was nice to get a title and a second in the two races that I have run. It means I'm happy."

QUOTES FROM JACINTA BARTHOLOMEW, ANCHOR OF ARIZONA STATE'S WINNING 4x100 RELAY:

"We thought we messed up with the handoffs. We did on the first and second and even on the third. If we had better handoffs, our time would've been faster. We were pretty confident ~~x~~ we'd win, anyway."

QUOTES FROM DAVE OTTAWAY, WINNER OF THE MEN'S 1500 METERS:

"After the first slow lap, I knew it would be a kickers lap at the end. I knew at the bell~~x~~ lap that I had a chance to win, because ~~ix~~ I was staying with Marc Olesen of Stanford. At the 300 meter mark at the end, I made my move.~~x~~"

QUOTES FROM ANNETTE HAND, OREGON, WINNER OF WOMEN'S 1500:

"It was a little ~~xxxx~~ scary because I didn't think she (UCLA's Laura Chapel) was that close at the bell lap. I knew she was right there, but I didn't know how close. I was trying to break her. She's an 800 runner and has speed, so I didn't know what she'd do. We went out faster than I thought."

"I feel good about winning both races this year (1500 and 3000). I was a double champ last year, too, so that was my goal again. The 1500 is a fun race for me. I like it."

QUOTES FROM MEN'S HIGH HURDLES WINNER ROBERT READING, USC:

"I'm not really happy because my time was ~~i~~ slow. I had a slow start and the weather was not like I wanted. It~~wasn't~~ was cool and breezy, not hot. But it is the Pac-10 title. My freshman year, I hit the last hurdle and Andrew Parker (Arizona State) got by me. And I was hurt last year. So this is a long awaited championship. Now I'll get ready for the NCAAs. I hope to give ~~Ark~~ Arthur Blake (Florida State) a run for his money."

QUOTES FROM MEN'S TRIPLE JUMP WINNER LATIN BERRY, OREGON

"I was hoping for a better mark. I wanted to go 54 feet, but I still have time to do that. I was approaching the board a little too fast and I thought I would scratch and changed a few things. (ONDOUBEE WIN): "I am pleased with the effort, but I would like to improve on both performances. I try never to be satisfied. With the fans behind me in Eugene at the NCAAs, I am confident I will improve on my marks."

~~quotes of~~

QUOTES FROM ~~MAN~~ MEN'S 400 WINNER DANNY EVERETT, UCLA:

"Before the race, as a team we (Everett, Steve Lewis and Anthony Washington) agreed to run off of Steve. We knew it shouldn't be that challenging of a race because we had the fastest times. There wouldn't be any pressure. We wanted to go 1-2-3 as a team."

"Steve seemed nervous and went out fast, which caused me to go out fast. He wasn't aware how fast we were running. I realized at 300 that we were going ~~g~~fast. I was hoping for a 45.4 or 45.5 today. After 50, I could tell I was getting tired. I didn't go into the race mentally ~~w~~ thinking I'd go 44.3, so I got a bit more tired."

QUOTES FROM TIM MANSON, WINNER OF THE MEN'S 800 METERS:

"One of the keys to victories was my ability to concentrate on relaxing. I wanted to keep my head down and relax. I felt good about the race I ran, but I am a little disappointed that I came up a little short of qualifying for NCAA's."

QUOTES FROM KEVIN YOUNG (UCLA), WINNER OF THE 400 METER INTERMEDIATE HURDLES:

"The strategy was to run as well as I did in Saturday's prelims. To run two 48's in two days is a good feeling. My strides felt good today. I try to key on gaining momentum during a race, and not to count on a ~~specific~~ specific time."

QUOTES FROM GAIL DEVERS, WINNER OF 100 METERS/100 HIGH HURDLES, UCLA:

"My goal coming into today's finals was to concentrate on my mechaniss. I was pleased with the times. In both races, I felt strong and was able to do the things that coach Kersee and I discussed earlier this morning. We (UCLA) looked to defend the team title coming into the meet, and things look good for us, but you never know what could happen. (HIGH HURDLES): I try to go out hard for the first seven hurdles and maintain the pace for the close of the race. No event is easy. You have to focus on what you want to do and close out the competition."

QUOTES FROM MEN'S 100 WINNER MIKE MARSH, UCLA (Also leadoff runner of UCLA's winning 4x100 relay):

"I feel good because I won, but I felt kind of sluggish. I was kind of flat ~~xxx~~ because I had a ~~xx~~ sore throat."

"I don't think we were aware we ~~x~~ were running that fast in the ~~xxx~~ relay. That's the ~~xxx-xxx~~ race I most enjoyed today (of the 100, 200 and relay). Our passes were okay but left a lot of room for improvement."

QUOTES FROM WOMEN'S 800 WINNER LESLEY NOLL, USC:

"I was surprised that the ~~xxx~~ pace wasn't faster. I found myself in the lead and stuck to my own plan. It wasn't as fast as I wanted, but it was tough run out there by yourself."

"I'm really happy to be the Pac-10 titlist. It's a very prestigious conference and winning it is a good thing to put on your credentials. Now I'm gearing for the NCAA's. It'll be my first outdoor NCAA meet. I'm hoping to run a fast time there and make up for this weekend's time."

QUOTES FROM MEN'S 200 WINNER ATLEE MAHORN, CALIFORNIA:

"That's the fastest I've ever run. The last 50 I was real tight. It was a good race. I got a good turn. I love running here. I thought nothing of the times that the other runners had run. You have to rise to the occasion."

"I spotted Henry Thomas (UCLA) at 175 and felt him. At the end, though, Danny Everett (UCLA) was there. He was tough. I didn't ~~xx~~ expect him to be there."

QUOTES FROM BRIAN MARSHALL OF STANFORD, WINNER OF THE HIGH JUMP:

"I really didn't have any expectations today. This was only my fourth outdoor meet this year, and my best jump outdoors was 7-1. I was a little nervous, and I jump well at times when I feel that way. After I cleared the bar at 2.20 meters (7-2 1/2), I became very confident and I knew I could jump a lot higher."

RACE IN REVIEW: Arizona State took the first-leg lead. After the second handoff, Arizona State was still in front with Stanford in second. Down the backstretch on the third leg, UCLA moved into contention, but was passed just before the final handoff by Stanford. Lewis charged UCLA into the lead and Arizona State with Bugg challenged on the final curve.

QUOTES FROM KARI NISULA, WINNER OF THE MEN'S DISCUS, CALIFORNIA:

(27)

"This year's field was very close. They were all around the 195 foot mark. I was a little disappointed with my first three throws. I had some technical problems. I was also in the first flight and that did not help my throws in the finals because there was a long layoff. I threw one technically sound throw in the finals, but I felt tired throughout the competition. Having flights with 13 people was very unusual.

QUOTES FROM UCLA WOMEN'S COACH BOBBY KERSEE, WINNER OF PAC-10 TEAM TITLE:

"We've got some tired people. That's why we scratched the 1600 relay. Monica Phillips had some severe pains in her side and we took her to the hospital here at UCLA. She keeled over after the 400.

"I have to congratulate our coaches. They did a great job. And our team did an excellent job. It was a good team performance. We wanted to win without overextending anyone. We came out well, except for Phillips. If she's okay, we're looking good for Eugene (NCAAs).

"This meet is just how our recruiting went. We wanted to put extra bodies with Gail (Devers), so we can ~~take~~ tone down Gail and save her. That's why I have to compliment my staff. We were able to put together a good meet."

QUOTES FROM UCLA MEN'S COACH BOB LARSEN, WINNER OF PAC-10 TEAM TITLE:

"A big part of the whole thing was to win the meet and come through with everyone healthy and to get good experience from good competition. For us, it came out perfectly.

"In the 1600 relay, we didn't have to go to the well with anybody. We were hoping we'd be in that position.

(Does anything over the past two days enhance your chances in the NCAAs?)--"Steve Lewis especially. But across the board, our guys are coming around very rapidly."

QUOTES FROM MARK GUISTO (ARIZONA), WINNER OF THE 5000 METERS:

"I'm happy with the win because it was a p-r and scored points for the team. I could have ran a lot faster, but I'm pleased with the effort."

QUOTES FROM WOMEN'S 400 HURDLES WINNER JANEENE VICKERS, UCLA:

"I was a little fatigued coming off the quarter. I wanted to sit back and let the crowd set the pace. I was hoping it'd be as slow as possible because I was tired. Then I was able to use whatever speed I had to come in. I'm really enjoying the 400 hurdles now. I'm running easier and smoother and my performances are very good."

QUOTES FROM MAICEL MALONE, WINNER OF 200 and 400 METERS, AS WELL AS MEMBER OF WINNING 4x100 and 4x400 METER RELAYS:

"Coming into the meet, I was very optimistic about our chances in the relays, but pessimistic about the two open events (200 and 400). I have only run the 200 and 400 a few times this year and I am still working on my technique. I was not looking for times, but trying to run relaxed. That is how I run my best races. (On 200): I wanted to get a good start and taper towards the last part of the race. I was pleased with my effort, but I still need to work on my technique. I received a great deal of help from our trainer, because I had to run in four finals today and did not have a great deal of time to recuperate between races. Our team came in hoping to contend for the team title and we are happy with our finish. We are excited about our chances at the NCAAs.

QUOTES FROM WOMEN'S DISCUS WINNER LAURA LAVINE, WASHINGTON STATE:

"This reminded me of ~~last~~ last year's competition (which she won). ~~When~~ When I started the day at 177, I knew it'd be a better day than week's past. I ~~ke~~ kept thinking back to last year. If I'd done it once, I can do it again. I've been frustrated since indoors. I was just waiting and waiting and didn't know what would happen. I'm not a good technician ~~and~~ and I'm not that ~~af~~ fast. After nationals, things started changing mentally. I took it easy. I shouldn't have done that. I didn't have that drive."

QUOTES FROM WOMEN'S TRIPLE JUMP WINNER WENDY BROWN, USC:

"It was weird. I felt very tired and counted myself out of it early on. But I got a burst of energy and did it. It was a very good competition. I wasn't ~~even~~ even going to take my last three jumps because I was so tired, but then I said I might as well go ahead."
